INDEPENDENT AUDITORS' REPORT

To the Members of the Elizabeth Fry Society of Greater Vancouver

Report on the Financial Statements

We have audited the accompanying financial statements of The Elizabeth Fry Society of Greater Vancouver, which comprise the statement of financial position as at March 31, 2017, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies, schedule, and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Elizabeth Fry Society of Greater Vancouver as at March 31, 2017 and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting policies applied in preparing and presenting the financial statements in accordance with Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements

Year ended March 31, 2017

1. Operations:

The Elizabeth Fry Society of Greater Vancouver (the "Society") is incorporated under the Society Act (British Columbia) and carries out its work in the Lower Mainland. On November 28, 2016, the new Societies Act (British Columbia) became effective. The Society has until November 28, 2018 to transition to the new Act. The Society is a registered charitable organization for income tax purposes and is exempt from the requirement to pay income taxes.

The mission of the Society is to improve the circumstances of women, children and youth at risk involved in the criminal justice and social service systems. The Society develops strategic direction and provides leadership to promote humane criminal and social justice. Through a range of programs, services and public education, the Society works to improve population health factors which place women, children and youth at risk of involvement in the criminal justice system.

The goal of the Society is to reduce the number of women, children and youth involved in the criminal justice system.

2. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the CPA Canada Handbook. The Society's significant accounting policies are as follows:

(a) Revenue recognition:

The Society follows the deferral method of accounting for contributions.

Government contract revenues are recognized as revenue in the period in which the service is provided.

Donations and grants are recorded as revenue when received or receivable except when the donor has specified that they are intended for a specific purpose or use in a future period, in which case they are initially deferred and recognized as revenue when the expenses are incurred or the restrictions are met. Unrestricted pledged funds are recorded as revenue as they are received.

Unrestricted contributions are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions received specifically for the acquisition of capital assets are recorded as deferred capital contributions and are amortized to revenue on the same basis as the related capital assets are amortized, except where they relate to land, in which case they are recorded as direct increases in net assets.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

2. Significant accounting policies (continued):

(a) Revenue recognition (continued):

Donated program services are measured at the fair value of the services at the date of contribution and are recognized as both revenue and expenses in the financial statements. Due to the difficulty of determining the fair value of governance and non-program related donated services, such donated services are not recognized in the financial statements.

(b) Investment in subsidiary:

The Society accounts for its 100% owned subsidiary, Asphalt Gals Recycling Ltd. ("Asphalt Gals"), a for-profit entity, using the equity method of accounting.

(c) Prepaid rent:

Prepaid rent represents financed rent payments and is amortized over the term of the lease.

(d) Capital assets:

Capital assets are recorded at cost less accumulated amortization. Amortization is provided on a straight-line basis over the estimated useful life as follows:

Asset	Rate
Buildings	25 years
Building under capital lease	40 years
Building improvements	15 years
Furniture and equipment	5 years
Leasehold improvements	25 years
Vehicles	3 years

The carrying amount of capital assets is tested for recoverability whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized when the asset's carrying amount is not recoverable and exceeds its fair value.

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Society has elected to carry its investments at fair value with changes in fair values recognized in the statement of operations.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at amortized cost are added to the initial amount recorded and subsequently amortized using the effective interest rate method.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

2. Significant accounting policies (continued):

(e) Financial instruments (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Society determines if there is significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount of the Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(f) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the valuation of accounts receivable, determination of useful lives for amortization of capital assets and deferred capital contributions, and provisions for contingencies. Actual results may ultimately differ from these estimates.

3. Line of credit:

The Society has available an operating line of credit with Vancity of \$300,000 (2016 - \$300,000), drawings on which bear interest at the bank's prime rate plus 0.50% per annum. The 402 East Columbia Street building is provided as security. No amount was drawn on this facility at March 31, 2017.

4. Restricted cash:

Restricted cash is held for specific purposes and may be spent only in accordance with the requirements of the designated agency. Restricted cash is comprised of the following:

	2017	2016
BC Gaming Policy and Enforcement Branch grant (note 9)	\$ 105,099	\$ 5,099
CMHC replacement reserve	30,865	28,528
	<u>\$ 135,964</u>	<u>\$ 33,627</u>

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

4. Restricted cash (continued):

Under the mortgage agreement with the Canada Mortgage and Housing Corporation (the "CHMC"), the Society is required to set aside \$1,000 annually as a replacement and maintenance reserve. During the year, no amount was spent from the reserve on equipment (2016 - \$1,000). Interest income earned by and credited to the reserve totaled \$337 (2016 - \$311).

During the year, the Society received \$100,000 (2016 - \$100,000) from the BC Gaming Policy and Enforcement Branch (formerly, BC Gaming Commission) that will be spent on qualified specialized projects for the next fiscal year.

5. Investments:

The Society's investments held at fair value consist of North Growth pooled equity funds. An unrealized gain of \$14,000 (2016 - unrealized loss of \$9,689) in fair valuing the investments has been included in investment income.

6. Other assets:

In 2011, the Society was named a 10% beneficiary of an estate. The amount originally recorded in the financial statement at March 31, 2011 of \$254,610 was the actuarial discounted value of the gross amount of the expected gift of \$327,384. Since then, based on information received from the estate, the asset has been written down to reflect the Society's 10% portion of the estate's current value on a fully accreted basis of \$226,752.

7. Capital assets:

March 31, 2017		Cost	Accumulated amortization	Net book value
Land	(a)	\$ 3,816,264	\$ -	\$ 3,816,264
Buildings:				
Ellendale - Surrey	(a)	428,186	99,778	328,408

Leasehold improvements - A'mut		143,648	51,720	91,928
Furniture and equipment		259,114	159,088	100,026
Vehicles		69,204	62,944	6,260
		\$ 10,613,541	\$ 3,616,246	\$ 6,997,295

- (a) During fiscal 2013, the Society received contributions toward the purchase of the Sherbrooke and Ellendale properties.

Donation contributions of \$450,000 towards the Sherbrooke property were recognized as direct increases in net assets invested in capital assets as the capitalized cost of the property was attributable to land. Of the total contributions, \$100,000 represented a reduction in the fair value consideration paid by the Society to the vendor of the property.

Contributions of \$679,347 by BC Housing in the form of forgivable loan towards the Ellendale property were allocated according to the fair values attributable to building and land on acquisition. \$206,397 was attributable to building, and \$472,950 was attributable to land and was recognized as a direct increase in net assets invested in capital assets.

- (b) In fiscal year 2008, the Society entered into a 40-year prepaid lease agreement for land and building in Chilliwack (A'mut). This lease agreement was financed by a mortgage for \$456,100 and a forgivable loan for \$500,000 (note 9). The land portion of this lease is an operating lease and the building portion is a capital lease. Prepaid rent represents rent payments paid in advance for the lease of this land and the current portion being the amortization of the prepayment in the next fiscal year.

8. Accounts payable and accrued liabilities:

Included in accounts payable and accrued liabilities are government remittances payable of \$60,727 (2016 - \$57,224), which included amounts payable for Municipal Pension Plan, WorkSafe BC, BC Medical Services Plan, and payroll related taxes.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

9. Deferred contributions:

	2017	2016
B.C. Gaming Policy and Enforcement Branch grant (note 4)	\$ 105,099	\$ 5,099
Deferred program income	302,067	171,636
Other funds	796	796
B.C. Housing forgivable loan	376,042	388,543
	784,004	566,074
Less current portion	420,463	190,032
Long-term portion	\$ 363,541	\$ 376,042

In fiscal 2008, the Society entered into a forgivable loan agreement for \$500,000 relating to the lease of the A'mut land and building. This loan is forgivable starting on the 11th year at a rate of \$20,000 per year through to the end of the 35-year term. Under this agreement, the Society must meet certain conditions for the duration of the 35-year term. Management has determined that it is unlikely that these conditions will not be met for the duration of the 35-year term and hence has recorded the entire loan amount as deferred contribution. As this loan is related to the A'mut lease, it is being amortized into revenue over the lease term of 40-years.

10. Deferred capital contributions:

Deferred capital contributions consist of funds received for the purpose of capital purchases. These amounts include costs for the purchase of the Surrey and Ellendale properties, the capital renovation of the 402 East Columbia building to provide transitional housing for women and children, leasehold improvement for A'mut building (note 7(b)), and capital grants for the renovation and building improvements of the Ellendale and Rio/Firth properties.

	2017	2016
Balance, beginning of year	\$ 1,434,713	\$ 1,558,343
Amounts amortized to revenue	(122,990)	(123,630)
Balance, end of year	\$ 1,311,723	\$ 1,434,713

During fiscal 2009, the Society entered into a forgivable loan agreement for \$549,960 relating to the renovations of the 4th Floor, Liz Gurney House, 402 East Columbia building. This loan is forgivable over 10-years starting on the 5th year at a rate of \$54,996 per year. Under this agreement, the Society must meet certain conditions for a 15-year period.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

10. Deferred capital contributions (continued):

These conditions include provision of a minimum of 12 emergency shelter beds at this premise. If the conditions are not met, the Society would be liable to pay the \$549,960 loan plus interest. The Society expects to meet this condition over the 15-year period and has therefore included the amount in deferred capital contributions and is being amortized over 25-years. In 2017, BC Housing confirmed that the third annual portion of \$54,996 had been forgiven.

During fiscal 2013, the Society entered into a forgivable loan agreement for \$679,347 relating to the purchase of 1187 Ellendale Drive, Surrey (the "Ellendale property"). This loan is forgivable over 30-years commencing in the 11th year. Under this Agreement, the Society must continue its development of a minimum of 10-housing units for women at risk of homelessness. If the condition is not met, the Society would be liable to pay the \$679,347 loan plus interest at prime plus 2% per annum. The Society expects to meet this condition and has therefore included \$206,397, the amount allocated as contribution towards the purchase of the building in deferred capital contributions and is being amortized over 25-years, which approximates the useful life of the building. The remaining portion of the forgivable loan of \$472,950, allocated as contribution towards the purchase of the land, was recognized as a direct increase in net assets (note 7(a)).

11. Long-term debt:

	2017	2016
Orenda House:		
7.875% mortgage, repayable in monthly installments of \$322, including principal and interest, balance due June 30, 2020	\$ 11,357	\$ 14,247

Long-term portion	\$ 3,711,175	\$ 3,812,211

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

11. Long-term debt (continued):

Security for the mortgages payable is by way of a charge against certain land and buildings.

Principal payments on the mortgages required for the five fiscal periods subsequent to March 31, 2017, assuming renewal on similar terms and conditions at end of the initial term, are as follows:

2018	\$	101,412
2019		105,356
2020		109,461
2021		535,796
2022		98,335
Thereafter		2,862,227
Total	\$	3,812,587

12. Deficiency in equity-accounted organization:

In 2011, the Society incorporated a wholly owned subsidiary, Asphalt Gals Recycling Ltd. ("Asphalt Gals"). Asphalt Gals is a for-profit organization that operates within the roofing sector and was established to create a sustainable social enterprise that provides instruction and work experience to women at risk of homelessness.

Financial information of Asphalt Gals is disclosed below:

	2017	2016
Assets	\$ 28,651	\$ 13,322
Liabilities	43,809	48,138
Shareholder's deficit	(15,158)	(34,816)
Results from operations:		
Revenue	\$ 58,690	\$ 35,895
Expenses	39,032	27,858
Net income	\$ 19,658	\$ 8,037
Cash from operating activities	\$ 3,140	\$ 4,270
Cash from financing activities	-	-
Cash from investing activities	-	-

(a) During 2017, the Society charged Asphalt Gals nil (2016 - \$4,000) for services rendered under a management and administrative services agreement, which has been recorded under other income. As at March 31, 2017, there was \$8,550 (2016 - \$15,389) included in accounts receivable from these services.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

12. Deficiency in equity-accounted organization (continued):

- (b) As at March 31, 2017, an additional \$29,143 (2016 - \$28,696) is included in accounts receivable from Asphalt Gals relating to expenses paid on behalf of and advances made to Asphalt Gals.

These transactions are in the normal course of operations and are measured at their exchange amount, which is the amount of consideration established and agreed to by the related parties.

13. Net assets invested in capital assets:

- (a) Net assets invested in capital assets are comprised of the following:

	2017	2016
Capital assets	\$ 6,701,741	\$ 6,997,295
Amounts financed by long-term debt	(3,331,478)	(3,414,223)
Amounts financed by deferred capital contributions	(1,311,723)	(1,434,713)
	<u>\$ 2,058,540</u>	<u>\$ 2,148,359</u>

- (b) Change in net assets invested in capital assets is comprised of the following:

	2017	2016
Excess (deficiency) of revenue over expenses:		
Amortization of deferred capital contributions	\$ 122,990	\$ 123,630
Amortization of capital assets	(295,554)	(296,382)
	<u>\$ (172,564)</u>	<u>\$ (172,752)</u>
Net change in invested in capital assets:		
Purchase of capital assets	\$ -	\$ 1,600
Decrease of long-term debt	82,745	75,483
	<u>\$ 82,745</u>	<u>\$ 77,083</u>

14. Internally restricted net assets:

In fiscal 2009, the Board of Directors of the Society passed a motion to establish an internally restricted contingency fund to be used for any future unexpected or unbudgeted operating or capital expenditures of the Society's programs. The balance in this fund at March 31, 2017 is \$148,141 (2016 - \$148,141).

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

15. Donated services:

Donated program related services are recognized as revenue at the fair value of volunteer services provided, determined based on similar services that would otherwise have been purchased. Details of volunteer services recognized during the year are as follows:

	2017	2016
Total number of registered volunteers	\$ 446	\$ 580
Total hours contributed to program services	19,453	25,842
Total value of donated program services	347,422	461,545

In addition, 554 hours (2016 - 645 hours) of governance and non-program donated services were provided; however, due to the difficulty of determining the fair value of these services, no amounts are recorded in the financial statements.

16. Vancouver Foundation endowment fund:

The Society has contributed to a permanent endowment fund with the Vancouver Foundation known as The Elizabeth Fry Society of Greater Vancouver Endowment Fund. The fund is owned and administered by the Vancouver Foundation and, accordingly, as the capital of the fund is not available for use by the Society, the fund balance is not included in the Society's statement of financial position. All income from the fund, which has been disbursed at least annually, is for the benefit of the Society. Interest paid to the Society during the year was \$9,285 (2016 - \$8,822). The Society has made total contributions of \$98,650 in prior years which has been matched by contributions from the Vancouver Foundation of \$75,000 for a total cost capital balance of \$173,650 (2016 - \$173,650) and fair value of \$269,032 (2016 - \$249,372) as at March 31, 2017.

17. Employee Pension Plan:

The Society and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trustee pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including the investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. The Plan has approximately 189,000 active members and approximately 85,000 retired members. Active members include approximately 81 (2016 - 76) employees of the Society.

Every three years, an actuarial valuation is performed to assess the financial position of the Plan and the adequacy of Plan funding. The most recent valuation for the Plan as at December 31, 2015, indicated a \$2,224 million funding surplus for basic pension benefits on a going concern basis. The next required valuation will be as at December 31, 2018, with results available in 2019.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

17. Employee Pension Plan (continued):

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The Society paid \$257,020 (2016 - \$247,070) for employer contributions to the Plan in fiscal 2017.

18. Commitments and contingencies:

(a) Commitments:

The Society leases office space and equipment requiring annual payments as follows:

2018	\$	96,153
2019		80,395
2020		76,199
2021		36,392
2022		20,844
<hr/>		
Total	\$	309,983

(b) Contingencies:

The Society must meet certain conditions under three forgivable loan agreements (notes 9 and 10).

19. Government funding and economic dependence:

The Society's ongoing operations depend on the renewal of annual funding agreements with various government agencies.

20. Employee, contractor and director remuneration:

For the fiscal year ended March 31, 2017, the Society paid total remuneration of \$515,770 to five employees for services, each of whom received total annual remuneration of \$75,000 or greater. The Society did not pay any remuneration to its Board of Directors.

THE ELIZABETH FRY SOCIETY OF GREATER VANCOUVER

Notes to Financial Statements (continued)

Year ended March 31, 2017

21. Financial risks and concentration of credit risk:

The risks to which the Society is exposed are credit risk, liquidity risk, and market risk.

(a) Credit risk:

Credit risk is the risk that a third party to a financial instrument might fail to meet its obligations under the terms of the financial instrument. The Society is not exposed to significant credit risk as the Society is not subject to any significant concentration of credit risk. Assessment for uncollectible accounts are performed by management and provided for. There has been no change to the risk exposure from 2016.

(b) Liquidity risk:

Liquidity risk is the risk that an entity will not be able to meet its obligations associated with financial liabilities. The Society is exposed to this risk mainly in respect of its long-term debt. The Society manages liquidity risk by maintaining adequate cash, highly liquid investments, and available credit facilities with its banking provider. There has been no change to the risk exposure from 2016.

(c) Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Society has investments in pooled funds which are subject to risks arising to changes in market conditions. There has been no change to the risk exposure from 2016.

22. Comparative information:

Certain comparative information has been reclassified to conform to this year's current financial statement presentation.
