We are a human rights and social services charitable not-for-profit agency for women, girls, and children affected by the justice system.

EFry is committed to the belief that people are willing and able to take responsibility for their own lives if provided with the resources, opportunities and skills to do so. We value working together with others who are committed to equality, fairness, and opportunity for those we serve.

EFry helps both female and male clients access the government financial support to which they are entitled. Third Party Administration clients cannot receive these services from government offices for behavior or their need for high levels of support and case management.
